Hi Folks!

Come celebrate a belated Valentine's Day at the Tilted Steeple Coffee House. We have another great lineup this month and we hope you will join us!

### **STEPHANIE & FRANÇOIS ST-PIERRE**

Stephanie St-Pierre has been singing since she was able to talk. You might have heard her as a five year-old soloist at church services or special events, or more recently as the main character in her high school musical (*Hairspray*). Her favourite musical styles range from Pop to Country (parents' influence, but mostly Taylor Swift's). She will be accompanied by her favorite musician – her dad François – on guitar.

### **TED GUTHRIE & KEN GALLANT**

**Ted Guthrie** is a retired Lutheran priest, currently serving as Honorary Associate Priest at St. Paul's Anglican Church in Brockville. After playing in a rock band in high school, he performed at coffee houses on campus in the late 60s. Working for over 20 years in correctional or mental health chaplaincy, he had many opportunities to lead group hymn singing and popular music singalongs. Ted's contribution as the Tilted Steeple's sound man is highly valued.

**Ken Gallant** grew up to the sounds of Elvis and the British Invasion. At 16 he joined the house band of a local night club – with the very reluctant approval of his parents – but when he became an electrician, the guitar was mostly relegated to the closet, until the flame was rekindled at age 50. The guitar fell silent again when Ken moved to South America some time later, but he resettled in Brockville two years ago, met Ted at a jam session... and here they are!

### **GORD & DONNA APPLEBEE**

**Donna and Gord Applebee** are enjoying retirement and settling into a house they just built in Brockville. They are also boating enthusiasts and recently "crossed over" from sailing and acquired a stern-drive cruiser. With Donna on flute and Gord on guitar, they make a great duet with a passion for playing live music. They have performed in many benefit concerts over the years and are regulars at Saturday Night Live events in Brockville, playing together and jamming with friends for the sheer pleasure of it. This will be their debut performance at the Tilted Steeple Coffee House.

**PLAIN FOLK** is the group made up of **Isabelle Delage**, the organizer and host of the Tilted Steeple Coffee House, joined by her bandmates from Montreal, **Mick Perreux** and **Val Teodori**. Together they perform some of Isabelle's original material along with other songs, mostly from the Canadian folk repertoire. Originally from Montreal but now making her home in Morrisburg, Isabelle is a singer-songwriter who draws her inspiration from daily life, writing songs that tell a story about life, love, loss and hope. She has recorded three CDs, two with Plain Folk and a solo CD whose title track, *The Inundation*, is based on the story of the Lost Villages. She is currently working on her second solo CD.

The Tilted Steeple Coffee House is organized in aid of local refugee sponsorship projects.

All artists donate their time.
