Hi Folks!

Join us this month for the return of a crowd favourite from our first season, along with two new acts!

Defying genre classification, the independent singer-songwriter duo **ANTIDOTE** has taken contemporary folk and spiced it up with character and flavourful global rhythms. An unconventional and intriguing musical tapestry is woven by the use of traditional instruments played in daring ways. Tender vocals and bold, vigorous strings by **Pauline Tidbury** are complemented by a masterful and exotic accompaniment from **Daniel St-Jean** on diverse instruments (dulcimer, dulcitar, guitar) and vocals. Performing original material from their albums, they invite you to transcend the boundaries of the conventional. Visit www.antidoteduo.com for more info.

We're happy to welcome back harmony/folk group **WAVESONG**, made up of Montreal Cégep teachers **Élisabeth Rousseau, Jane Critchlow** and **Bruce Jackson**, who were brought together by their love of three-part harmonies. Composer/arranger Bruce has toured and recorded with Jim Corcoran and Bertrand Gosselin, Lennox, Dave Lapp, Mario Chenart and Eric Maheu (of Kain). Élisabeth studied classical voice and has sung in numerous choirs over the years. Jane has played in jazz, blues and soul bands on the local and Club Med circuit and also fronted new wave band At First Glance, opening for international rock group INXS. Wavesong have performed at a number of Montreal venues and is currently in the studio recording their first CD, due for release in 2018.

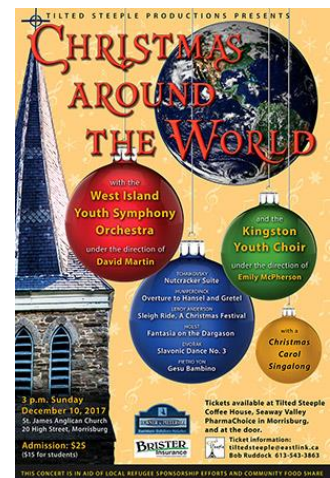

Please note that the TSCH website is now located at www.tiltedsteeplecoffeehouse.ca

MARK BAILEY and **DOUG KEHLER** recently met at a Monday afternoon jam session in Brockville and, finding that their musical tastes ran to similar genres, started playing together. They play a variety of music from the 70's such as Neil Young, The Beatles, America and John Prine. They are working on expanding their repertoire and playing coffee houses in the Brockville area. Mark, who retired a few years ago, started playing guitar at a young age and has never stopped. Doug recently dusted off a guitar from his closet when he also retired, and found his new best friend.

And since there is no show in December (it's an extra busy time for everyone), Tilted Steeple Coffee House organizer and host **Isabelle Delage** and her **PLAIN FOLK** bandmates **Mick Perreux** and **Val Teodori** will kick off the Holiday season early by offering a few tunes from their Christmas album!
