ALLAN HALL, 19 Lakeshore Drive, Morrisburg, ON

This month:

- Brenda Kelly & Paul Bullock
- Wendy Farha
- Tim Burns

We hope you can join us for what promises to be a wonderful evening of stories and songs!

**BRENDA KELLY** and **PAUL BULLOCK** co-host a Music Jam class on Monday afternoons in Brockville as a part of the 50+ Activity Centre. For three hours a group of up to 25 players sit in a semi-circle with microphones in the middle. In turn, each participant goes to the centre to perform their song while the rest play along. Some pass out the music in paper form, some use PowerPoint slides shown on a large TV, while others use their iPads attached to the TV. Generally in an afternoon each person performs three numbers. The songs being played at the Tilted Steeple Coffee House this month are some of the favourites that Paul and Brenda play together. Brenda's harmony adds a special flavour to each song. Paul has been a guest of the Tilted Steeple Coffee House several times in the past and always looks forward to being there. We look forward to having him again in this new configuration!

**WENDY FARHA** is a singer, songwriter, comedian and speaker originally from Montreal who now makes her home in Wakefield, Quebec. For the past 45 years, she has been delighting audiences with her sensitively-written songs and hilarious humour. Her diagnosis of breast cancer at the age of 50 served as a turning point in her life. After being declared 'in remission' in 2011, Wendy entered into a brand new career and began touring Canada extensively. Her music, comedy and message of hope are bringing

inspiration to audiences everywhere. You will laugh, you will cry, and you will feel all warm and fuzzy inside. Wendy has seven CDs and DVDs to her credit. We are delighted to have her at the TSCH for the first time. Visit her website at [www.wendyhaha.com](http://www.wendyhaha.com) for more.

Hailing from Stittsville, singer-songwriter **TIM BURNS** has been performing since his early teens in concert halls, coffee houses, universities, county fairs, local pubs, and private functions. He has played in Ireland and several Canadian provinces, and was featured in a radio show at KBND in Bend, Oregon. Tim's compositions are written primarily from experience and observation. His 12 original-song album entitled *Stories and Heroes* has been described as a finely crafted and balanced selection of songs that range from stirring ballads to clever, edgy, tunes. His vocals and nuanced instrumentals express the exquisite joy and heart-wrenching vulnerability of being human. His songs speak to the strength, courage and resilience drawn from the quiet heroics of everyday life and from those that have touched our lives along the way. This past July, Tim was awarded first place in Spencerville's "Art Explosion" songwriting contest for his song *Spencer's Mill*. Find out more on [Tim's Facebook page](#).

**Beverages and snacks are available by donation, coordinated by the Anglican Parish of South Dundas to benefit its outreach activities.**
