Hi folks, join us this month for another great show!

KAYLEIGH STYLES is a 15 year-old singer from Greely, Ontario. She attends St. Marks High School. Kayleigh has been singing and acting since the age of six, and enjoys performing pop and musical theatre. She has sung the Canadian and American Anthems several times at sporting events, including for the Ottawa 67s and the Ottawa Fury. She has seven original songs to her name, two of which have been released on iTunes and Spotify. Kayleigh loves animals, horseback riding and spending time with her friends. A participant in La Voix Junior in Montreal in 2017, she loves performing for audiences young and old. Recently she has just signed a music contract with Zebertha Music Group Label. This is Kayleigh's first visit to the Tilted Steeple Coffee House.

Montreal-based **JIM ROBINSON** expects to release his 9th CD this fall, a collection of songs his producer Jason Lang has referred to as "Contemporary Cinematic Jungian Anti-Folk City Cowboy Music." While his CDs can qualify, even live up to this kind of description, his live performances consistently aim to engage his audiences with singable choruses, foot tapping rhythms, and memorable narratives often tinged with a little humour and irony. Jim has become a regular on our stage, and we're happy to welcome him back this fall, along with Susan Fowler on back-up vocals. Check out some of the songs on his website at www.jimrobinson.ca.

DONNA & GORD APPLEBEE are enjoying retirement and settling into a house they built in Brockville. They are also boating enthusiasts and recently "crossed over" from sailing to power boats, and they have now acquired a 'project' trawler with which they plan to travel the local rivers and canals. With Donna on flute and Gord on guitar, they make a great duet with a passion for playing live music. They have performed in many benefit concerts over the years and are regulars at 'Saturday Night Live' and open mic events in Brockville, playing together and jamming with friends for the sheer pleasure of it. They were scheduled to play last November, when the show had to be cancelled due to a freak snow storm. We're thrilled to have them back this year for what will be their second visit!

And, as usual, **PLAIN FOLK** will be on hand to close the show.
