Hi Folks!

Welcome to the **Tilted Steeple Coffee House's** fourth season! We have another full roster of great talent for you this year and we hope you will come out and enjoy it with us. Doors open at 6:45 pm.

LORI-ANNE VAN MOORSEL grew up on an egg farm in Glen Becker and always sang in the barn with her mom, Diny. Growing up she sang in the St. Mary's church choir and took voice and piano lessons with Margaret Whisselle. In high school her musical talents shifted to the slide trombone, and finally back to voice under the tutelage of Helen McAlear. Twenty years later, now a single mom of one living in Morrisburg and working at Winchester Hospital, Lori-Anne has recently rediscovered her passion for singing and looks forward to sharing it when and where she can.

CLAUDE PLAMONDON, or Plum as he is known to many of his friends, has been playing music for a long time. In his youth he played in a Cornwall band called *Village*, where he learned to love and work out harmonies. Later on as a full-time musician, Claude and his music partner Bob Flynn travelled wherever the music took them, from the Ottawa Valley, Quebec and surrounding areas, to Virginia, West Virginia, Washington and the CBC studio. In 1990, Claude and his wife Andrea went to Japan where he played with a bluegrass band and wrote songs. On his return, Claude and a friend, Jeanne Ward, started *Easy Pickins*, a band that played locally. For his Tilted Steeple show, Claude will be presenting all original songs, accompanied by two very talented musicians and best of friends Claude Clement and Claude Champagne. That's right, entertainment by Claude, Claude and Claude!!

JON MARTIN has been an Anglican priest for a decade, and at St. James Church in Morrisburg since June 2015. Jon, who grew up in Ingleside, is deeply passionate about social justice and providing a safe place for those who don't always fit into the stereotype. He developed a love for music at a young age and played with several Ottawa bands to help pay for seminary. Jon loves pop punk, rock, and folk and is especially fond of East Coast music, playing everything from Blue Rodeo to Barenaked Ladies to Britney Spears.

Singer-songwriter **ISABELLE DELAGE** is the organizer and host of the Tilted Steeple Coffee House. She will close out the evening as usual, perhaps with a friend or two. Isabelle released her second solo CD, *Songs from My Little Couch* earlier this year. The title track of her first album, *The Inundation*, is based on the story of the Lost Villages, which is basically what brought her and her husband Léo to Morrisburg from Montreal four years ago.

Tilted Steeple Productions is planning another great Christmas fundraising concert this year!

Be sure to save the date:
